

# Don't sweat the what-ifs.

Team Registration Protection reimburses team administrators and club directors up to 100% of registration fees if the team is unable to participate for a covered reason.

## What is Team Registration Protection?

Life is unpredictable - yet tournament registration fees are typically non-refundable and required far in advance. It's often difficult for event organizers to honor refund requests since fees have already been spent on basic operating costs. Team Registration Protection safeguards against these financial risks by offering **up to a 100% reimbursement** if a team is forced to withdraw for a covered reason.

**Covered Reasons Include:**

**Injuries or Accidents**

**Severe Illnesses**

**Unsafe Weather**

**Travel Delays**
